

TECHNICAL ASSISTANCE (TA)

ENVIRONMENTS & INTERACTIONS

FREE

Individualized consultation, reflection-based coaching, or mentorship with teaching teams or 1:1 with practitioners to develop intentional classroom practices that are rooted in positive relationships, are culturally and emotionally responsive, and promote social, emotional, and cognitive growth. A specialist will work with your team to optimize classroom environments to be trauma-centered and conducive to student learning, and meet Star-Rated licensing guidelines.

OBSERVATION & ASSESSMENT

FREE

Classroom observations using Pre-K or Infant/toddler CLASS assessments, preparation for Environmental Rating Scales including mock ITERS/ECERS assessments, and feedback sessions to help you uncover your unique strengths, identify areas for growth, and align with program standards and best practices.

PROBLEM-SOLVING IN PARTNERSHIP

FREE

Have a tricky or challenging situation to navigate? Reach out to us and we can pair some observations with collaborative problem-solving to find some solutions that will work best for your unique site and situation - judgment free.
